

Poppies, pizza, perfect coffee and Pearl loves Paisley - intrigued?

Watch a pizza making demonstration and create your own pizza at our November Market. Great fun for all the family.

We've also a variety of Poppy products to commemorate the **Royal British Legion Poppy Appeal** in this, the Centenary year of the founding of the Poppy Appeal. Poppy Memorabilia on sale includes wooden crosses, metal poppy pins, car badges, wrist bands for adults and children and rulers.

Our **guest stalls** include Pearl loves Paisley and Roost Coffee. **Jack** will play **hissaxophone** to ease you gently into a relaxing weekend.

And of course, we have all of your **favourite stallholders** providing the very best locally produced meat, fish, vegetables and more.

Exquisite designs from **Pearl loves Paisley**, our November guest stall

Come along and give your support and comfort to the dogs in the care of Ryedale Dog Rescue.

The joint 1st prize winners (**Matilda & Edward**) of our **Children's Vegetable Sculpture Competition** brought smiles and much admiration from Market Visitors. The lucky winner of our spectacular locally grown Harvest Festival vegetable box supplied by The Wall@Coulton, was **Mary Summersgill** of Scarborough

A big thank you from Kenya

We received a hand written thank you letter from pupils at **Burundi Primary School for the Hearing Impaired in Kenya** via Andrew Dean of Gillamoor School. Your generous contributions to the Community Stall in July, have enabled the school to boarding facilities to enhance the children's access to education.
