## Children's vegetable sculpture competition *or bring along a funny shape*

We're celebrating harvest at the next Hovingham Village Market.

Get ready for the funniest shaped vegetable or fruit sculpture competition. Bring along your funny sculpture or unusual shaped veg or fruit to the market.

You could be one of our lucky prize winners.

Enter our raffle and the chance to win a box of seasonal produce.

Select your seasonal fresh fruit and vegetables from **The Wall@Coulton** and **Richard Wood**.

Indulge with wonderfully scrumptious **cakes**, exquisite **wines** and **apple juices**, Helmsley brewed **beer**, divine **cheese**, fresh & delicately smoked **fish**, sensational **pickles**, family harvested **olives**, **oils**, **beef**, **lamb**, **jams & marmalades**, artisan **bread** and **pastries**, Tuscan **delicacies**, local **honey**, cut **flowers**, gluten free **soups**, vegetarian **pastries**, spectacular **meringues** and naughty **brownies**, hand made **chocolates**, wooden sculptured **bowls**, **photography**, leather **purses & wallets**, unique **soap**, designs, **jewellery**, **interior decor**, **books**, greeting **cards**, **gifts** and much, much more.

Enjoy the music of local teenager, **Jack Stott**, who plays gentle jazz on his saxophone to the delight of Market visitors. Jack is saving to buy a tenor saxophone.

And when the shopping is done, treat yourself to a well earned coffee, bacon butty and cake from our Community Cafe run by Scackleton Church.

Have a chat with your friendly local police officer, Nicki Pounder, who is always happy to answer questions and showcase the community police van.

Look out for our October Community Stallholders ~ the **RNLI** and **New Beginnings** (life after racing for racehorses)
