Claire & Bertie's **Butterflies Chocolates** chocolates are always a welcome gift on Valentine's Day.

Handmade with no artificial colours, preservatives or flavourings and made in their purpose built Yorkshire chocolate kitchen.

Great chocolate starts with great ingredients. Their choice of Belgian chocolate supports cocoa farmers and sustainable growing practices.

Butterflies Chocolates are also proud to partner with excellent local suppliers including [Roost Coffee](#) and they cultivate their own herb garden too – you can't get any more fresh and local than that.
