Vida Villi

For family health reasons our friends Carole & Robert, of Vida Villi, have sadly decided they have to hang up their aprons and put their stall on hold after three very successful years at the Market. In announcing their decision they very kindly said:

"We would both like to take the opportunity to thank you, Caroline and all the Hovingham team of volunteers who made us feel like part of the family and something which gives us a heavy heart of not being part of the buzz that you guys create for local traders every month - you work tirelessly and are an inspiration to us all".

There is a personal message from Carole & Robert on their website <http://www.vidavilli.com>

All of the Market team wish Carole & Robert the very best in the future and we all hope to welcome them back in the future, when circumstances change.

Hovingham Village Market

Next market - Saturday 3rd June

On the first Saturday of every month, February through December (with an extra special Christmas Market on the third Saturday of December), Hovingham Village is the picturesque setting for their unique Award Winning Market. Hovingham is 18 miles North-East of York and 8 miles away from Helmsley and Malton.

Hovingham's Market Charter was dated 1256; however, with the arrival of the steam railway in Hovingham in 1853 that Market closed. The current Market developed from the 2009 Hovingham Community Plan when over 83% residents supported a Local Producers' Market.

The Market is run by a team of enthusiastic Volunteers; they start setting up at 3pm on Friday; by 10:30am on Saturday morning over 50 stallholders present their wares, championing local producers and local products, to the 800 plus visitors from all over North Yorkshire and further afield. Popular stalls run out early and the Market closes at 1:30pm.

The Market supports a Community Café that provides essential sustenance to visitors, stallholders and the volunteers. This is run by a rota of Community Groups and has raised over £73,000 for more than 40 Community Groups in the last 8 years. Local Community Groups can also run their own Community Stalls, for free, to raise their profile and valuable funds in the Community.

The Market is the focal point and social meeting point for residents, and is now established as a vibrant and successful event always ready to welcome new visitors and stallholders; details on the www.hovingham-market.org.uk website.
