Winners! Popular Scotch Egg specialists bring major National Award home

They've already tickled the tastebuds of local foodies and Royalty alike with their gourmet Scotch Eggs.

And now David and Christine Laing of The Clucking Pig Company have scooped a major national award after being named as *'Best Game Farmers' Market Stall, including Street Food'* at a glittering London ceremony at the prestigious *Eat Game Awards*

The Scotch Egg specialists bagged the huge accolade after wowing the voting public with their range of Venison and Mixed Game best-sellers, including Pheasant, Wild Yorkshire Rabbit, Wood Pigeon and Partridge.

And they were even invited along to Buckingham Palace last year, where Prince Andrew, the Queen's personal chef and assorted royal staff all enjoyed tucking into their hugely popular scotch eggs.
