**Anorak** - countryside home and lifestyle products

**Earth Rise Designs** - Natural and ethical clothing

**Earth Rise** is a small, new ethical clothing brand, begun last year by a North Yorkshire mama, Anushana Fox, whilst traveling in India. Earth Rise works with untreated cottons and vegetable dyes to create a small range of elegant yet practical clothing and also hand-woven jewellery. The clothes are designed by Anu and ethically made by a small family cottage industry in Rajasthan. The ethos of Earth Rise is step by step transition to creating and wearing gentle clothing with does not harm the Earth
