

The Virtual **Hovingham Village Market** has been a great success with many virtual visitors able to visit the Stallholders whenever they want during the month. The Market are looking at ways the real unique Market can be re-opened in a COVID secure way, with the safety of the volunteers, visitors and residents our top priority. We will contact all registered visitors and stallholders as soon as we can announce when this will take place. Please stay safe and we wish you all the very best, thank you for supporting the Market and we look forward to seeing you again at the Market as soon as possible. Please visit the website, www.hovingham-market.org.uk, for the latest information. If you have any details you would like to add, or amend, then please contact us at themarket@hovingham.org.uk.

Thank You and Stay Safe

Please Note: that if your favourite Stallholder is not listed then it is most likely they have decided to close during the Covid-19 crisis. If they are still trading then please provide us the details and we will add them.
